VOLUNTARY LONG-TERM CARE INSURANCE

PROVIDED THROUGH LEGACY SERVICES

Newell Rubbermaid offers Long-Term Care (LTC) insurance through Legacy Services. This coverage allows you to choose from multiple LTC insurance options from different carriers.

Simply contact Legacy Services at 1-800-230-3398 (ext. 101) or email custsvc@4groupltci.com and let them know you are a Newell Rubbermaid employee who is interested in LTC insurance for either yourself or a family member.

Then you can either:
- Visit their website www.servilink1.net/legacyltc and choose “Request a Quote”
- Or schedule a one-on-one phone consultation with one of their agents. In this conversation, Legacy Services can share with you information about topics like inflation protection, stock vs. mutual companies, and other benefit choices that may help your decision-making. These calls take 15-20 minutes and can be held weekdays, weeknights or Saturday mornings.

After gathering some information from you, they will generate quotes from various LTC providers. You may choose the coverage you want based on the quotes provided to you.
